- ① Main concern for me would be FIRE at/in/ok near village & High School - If both tracks are busy no one could help the village or the town -
- ② Hazardous containers will increase? Help again if this happens in village tracks tied up no one can help -
- ③ environmental - many area of pressures will lose they inhabitants -
- ④ Very close to childrens play areas parks (at least)

What scoping meeting did you attend? (Please circle): Mundelein, Barrington, Joliet, Matteson, Gary, West Chicago, Chicago.
